Courtesy Shuttle BUS Information

Our Veterans come first! We understand the high cost of transportation for many of our patients and provide this shuttle bus as a cost saving service.

The Wilmington VA operates the free shuttle bus service that picks up patients from three southern New Jersey locations near our community based outpatient clinics and travels to the Wilmington VA campus.

The shuttle bus returns scheduled riders back to the three New Jersey sites in the late afternoon.

Shuttle User Rules

All riders must adhere to the following to use the shuttle service:

- Only passengers who are VA patients may ride the shuttle.
- You must have an existing patient appointment to ride the shuttle on a specific date.
- **You must make a reservation to ride the shuttle on your appointment date.**
- Patients who use the shuttle for a VA appointment at Wilmington must schedule their appointment time between **11:00 a.m. and 2:00 p.m.**
- Patients must alert the Wilmington VA clinic staff upon arrival that they are shuttle users so their appointment does not interfere with the return shuttle to New Jersey.
- Patients should not accept an appointment after 2:00 p.m. nor before 11:00 a.m. if riding the shuttle.
- The shuttle is not wheelchair or handi-cap accessible. You must be able to physically board and exit the bus.
- The bus will depart the Wilmington campus **PROMPTLY** at 2:30 p.m. It is the rider's responsibility to be

outside the main lobby of the hospital at 2:20 p.m.
